World's Record Broken in Michigan-Chicago Dual Meet on Marshall Field Yesterday Afternoon.

Michigan Easily Wins Over Chicago by Score of Seventy to Fifty-six.

SHOT PUT RECORD BROKEN

Rose of Michigan Hurts Weight Over Forty-eight Feet and Wins Great Plaudits.

Chicago, May 21.—A world's record and four conference records were broken in the track meet at Marshall Field today between the university of Michigan and the university of Chicago. Michigan won by a score of 70 to 56. In the shot putting contest Rose of Michigan put the 16-pound shot 48 feet. Then in an effort to lower the world's record he hurled the 16-pound weight 48 feet 7 1-5 inches. The former record was held by Horgan of Ireland and was 48 feet 2 inches. Rose also broke the conference record in hammer throwing with a distance of 154 feet 1 1-5 inches. In the half-mile run Hall of Michigan went the distance in 2 minutes, which is 2-5 of a second better than his old mark, made last June. Another conference record shattered was the discus throw, which Parrott of Chicago captured with a throw of 121 feet 2 inches. In the 2-mile run Kellogg of Michigan won in 9:45 1-5 the fourth conference record broken.

RESULTS OF STORM.

Union Pacific Tracks Washed Out in Colorado—Traffic Stopped.

Denver, May 21.—The flood in the Cache La Poudre valley, caused by a water spout in the foot hills yesterday afternoon, reached its height at Greeley this morning. Only one life was lost, so far as is yet known. A number of people are missing and owing to the conditions of the roads and washing out of bridges it is impossible as yet to ascertain whether or not they lost their lives.

Dozens of bridges were washed out between Greeley and Windsor and between Fort Collins and Livermore. The railroad bridge north of Greeley is still standing, but for a distance of 100 rods the embankment under the Union Pacific tracks is washed out, leaving the rails without support. The Colorado Southern management reports it will be Tuesday or Wednesday before traffic on their road can be resumed.

STATEMENT TO PRESS.

France May Take Steps to Condemn Course of Vatican.

Paris, May 21.—Formal announcement of the recall of M. Nisard was made this evening and the following official statement communicated to the press: "Ambassador Nisard has been recalled and the secretary to the ambassador will take charge of affairs during his absence." It is understood that M. Nisard's interviews with the papal authorities were unsatisfactory to France, hence his recall. It is learned that the government does not intend immediately to denounce the concordate. No further steps are contemplated at present unless the parliament directs further action. Efforts are being made to induce the premier to follow up the ambassador's recall by a denunciation of the concordate, but M. Combes does not wish to go to that extreme. The result of the rupture promises materially to strengthen M. Combes' administration.

Rome, May 21.—Cardinal Satolli was received in the usual fortnightly audience by the pope today and took opportunity to pay his farewell respects to the pontiff before leaving for America. The pope wished him a pleasant journey and gave the cardinal the apostolic benediction.

Japs Lose Over One Thousand Men in Conflict While Russians Escape With Less Than Two Hundred Killed.

Report Says That Russian Cruiser Orel While on Way to Cronstadt to Get Armament Sustained Serious Injuries Rendering Her Difficult to Keep Afloat—Attempt Made to Wreck Train Bearing Czar.

Russians Fought With Bravery

Managed to Rescue Ammunition Train and Supplies And Get Them Into Port Arthur.

St. Petersburg, May 21.—The government received the news today that General Stoessel has made a successful sortie from Port Arthur, resulting in the repulse of the Japanese. The Japanese loss over 1000, the Russians had 166 killed and many wounded. The sortie was made in combination with the effort to get an ammunition and supply train into Port Arthur. After the engagement the Russians retired into the fortress together with the train.

St. Petersburg, May 21.—Current accounts of the Port Arthur sortie are somewhat conflicting and there is some doubt as to whether the version mentioning the train is correct.

The Russian troops fought with great bravery, breaking the Japanese line and carrying the enemy back for a considerable distance.

CRUISER OREL INJURED.

Reported That She Sustained Serious Injuries at Sea.

St. Petersburg, May 21.—Reports which lack confirmation are in circulation here that the Russian cruiser Orel, while on her way to Cronstadt to receive her armament, sustained damage which rendered it difficult to keep her

ATTEMPT TO KILL CZAR.

Pilot Train Derailed and Several People Killed.

St. Petersburg, May 21.—It is not even rumored here that an attempt was made to wreck the czar's train. It will be impossible to get an official statement until tomorrow.

ENGLISH LAD WINS DERBY.

Captures Great Chicago Race in Thrilling Dash Down Stretch.

Chicago, May 21.—English Lad, the heavily backed favorite, won the Chicago derby at Hawthorne today by a half length in a fierce drive with Prince Silverwings. Moharib, the winner of the Kansas City derby, came in third. Time, 2:06.

English Lad's victory was a popular one and when he passed under the wire winner a tumult among the 15,000 persons that packed the grandstand and crowded the infield was caused.

The horses were off to a prompt start; Prince Silverwings took the lead and remained in front until the stretch was reached. As the horses turned into the stretch English Lad sprang forward and passed Prince Silverwings. From that point on English Lad held his place and passed under the wire the winner by half a length. For the first time in the history of the Chicago race tracks the Western Union Telegraph Company was barred from the track. The order was made, it is believed, because of the recent action of the telegraph company in refusing to continue its racing service to the pool rooms. Newspapers and all other customers of the telegraph company suffered from this order.

YALE DEFEATS HARVARD.

Wins Dual Meet on Soldiers' Field—Two Records Broken.

Cambridge, Mass., May 21.—The breaking of dual records in the two-mile run and the hammer throw, with a close competition in most of the other events lent interest to the Yale and Harvard dual athletic meet, won by Yale on Soldiers' field today. Yale scored a total of 57 7-12 points against 56 5-12 for Harvard.

In the 2-mile run King of Harvard won in 9 minutes 54 1-5 seconds, lowering the dual record by 1 3-5 seconds. In the hammer throw Shevlin of Yale hurled the weight 153 feet 9 inches, or 6 inches further than the dual record.

NEWSPAPER WOMEN.

Melville Stone Says They Are Responsible for Scandal Published.

St. Louis, May 21.—Before the press section of the biennial convention of the general federation of Women's Clubs today, held in the German government pavilion at the world's fair grounds, the "Woman's Column," was the subject of an address by Miss Egan of Louisiana, a member of the world's fair board of lady managers. She said

that the "Woman's Column" in the average newspaper is filled with "plaudits and platitudes and pie crust and pudding. No woman," continued Miss Egan, "is fit for the ballot or for equal rights with men as long as she permits the "Woman's Column" of the accepted type.

Melville E. Stone spoke on the influence of women on the newspapers. He said that not a line of scandal would be printed in American newspapers were it not for women.

Mrs. Anna Eugles of Pendleton Jumps into Umatilla River.

Pendleton, May 21.—Mrs. Anna Eugles, aged 55, wife of John Eugles, a meatcutter here, committed suicide by jumping into the Umatilla river shortly before noon today. The woman had been sick for two years with nervous trouble and was in great pain most of the time. She left a note to her husband, stating:

The body was found below the city, lodged under a stranded tree. Her son Claude had just graduated from a San Francisco medical college.

RELATIONS SERIOUSLY STRAINED

French Ambassador Recalled From Vatican as Result of Indelicate Attitude of Papal Secretary.

Pope Holds Conference With Cardinals to Prevent Rupture of Official Relations.

POPF PIUS IS MUCH WORRIED

Dignitaries Condemn Course of Papal Secretary in Sending Different Notes to Powers.

Rome, May 21.—M. Nisard, the French ambassador to the vatican, acting under instructions from Paris, left Rome tonight for an unlimited vacation as a protest against what France regards as an indelicate attitude of the vatican in compiling two different notes concerning the visit of President Loubet to Rome.

The pope is greatly worried over the conflict between the vatican and France. Today his holiness conferred at length with the papal secretary of state and Cardinal Merry Del Val, who stated to him what he had said to M. Nisard. He said France had misunderstood his intention and he omitted the phrase regarding the recall of Nuncio from the note to France out of regard to that republic, while he inserted it in the notes to other governments. Among the cardinals there is considerable feeling against the papal secretary and condemnation is expressed of the way in which he has brought about official rupture with France.

Conference Continues.

Chicago, May 21.—The conference between the executive officers of the Harriman and Hill lines and northern Pacific coast shippers in an effort to adjust freight rates continued today, but nothing definite was decided upon.
